ii	Improvement of MDRs and PWD Roads Phase-I	142.08	180.10	62
iii	ODRs Phase-I	150.53	188.16	319
iv	Improvement of MDRs and PWD Roads Phase-II	138.4	198.10	
v	Highways Phase-III and IV	626.76	783.44	102.91
	Total	626.76	783.44	102.91
		crores	crores	crores
				102.91

Corporation has so far taken loan to the extent of Rs.102.91 crores for the project of improvement of State Highways Phase-I and II in Haryana. Loan agreements for the two Projects amounting to Rs.150.53 crores and Rs.150.53 crores for the improvement of MDRs and PWD Phase-I and II have also been executed by the Corporation with HUDA, but payments have been drawn so far. However, loan agreement for the project of improvement of State Highways Phase-III and IV has not been executed by the Corporation as no such approval of CMM for taking loan from HUDA has not been received.

2. As per approval document, the loan is being raised by the Corporation from HUDA is being on behalf of the Corporation alongwith 20% counterpart funding. The Corporation will be bearing the interest and would also pay charges at 10.25% P.A. on the outstanding amount to the Corporation after completion of the Haryana PWD Roads.

improvement of roads and will repay the principal amount alongwith interest to the Corporation within a period of 15 years for the project of State Highway and 15 years for the projects of MDRs and ODRs including construction period. Accordingly Corporation would repay the principal amount and the interest to HUDCO. On the basis of above procedure approved by the Govt. Agreement was executed between the Government of Haryana through Engineer-in-Chief, Haryana PWD B&R, Chandigarh and the Corporation on 7.12.2000 for advancing loan of Rs.217.08 crores to the Haryana Govt. for the improvement of State Highways Phase-I and II. Accordingly the entire loan amounting to Rs.402.91 crores received from HUDCO on behalf of Haryana Govt. as counterpart funding amount of Rs.17.40 crores out of the equity capital of the Corporation have been given to the Haryana Govt. under the Agreement. Agreement in respect of other Engineer-in-Chief, Haryana PWD B&R, Chandigarh for loan Scheme between Corporation and Haryana Govt. through Haryana PWD B&R for the loan Schemes of improvement of MDRs and ODRs Phase-I and II have not been executed so far because of the audit objections raised by the AG. Audit of the accounts of the Corporation for the year 2000-2001 was conducted by the Accountant General, Haryana, Haryana in accordance with the provisions of Section 610 (B) of the Companies Act, 1956 because the Corporation is fully owned by the Haryana Govt. It has been concluded that advancing of loan by the Corporation to the Haryana Govt. is totally illegal and against the provisions of the Companies Act, 1956. Auditor General has passed following observations:-

- As per Clause 4 (a) of the general conditions of Agreement executed by the Corporation with HUDCO, the Corporation shall not without the prior permission of HUDCO invest any part of the money advanced by way of deposits, loan, share capital or otherwise in its concern and as per provisions of Clause 3.2 (iii)(A), the Board of Directors of the Corporation shall make all advances made by HUDCO from time to time available for the purpose intended exclusively to cover the expenditure on the said scheme and have not been diverted for any other purpose, where as it is observed that the loan from HUDCO has advanced

- the same to Haryana PWD Deptt. The Corporation has not carried out any activity on their own.
- b) Performance main activity of the Corporation during the year is nil except taking loan from Haryana and advancing the same to Haryana Govt. in violation of the provisions of the Companies Act and main objects of the Corporation.

Audit have suggested that the Corporation may seek refund of loan from Haryana Govt. and start carrying out their own activity as per legal provisions.

As per the above audit observations, Corporation can not advance loan to the promoter of the Corporation i.e. Haryana Govt. and even Haryana Govt. can not take loan from the Corporation as per provisions contained in Constitution of India. The Corporation has to carry on its own activities in accordance with the main objects specified in the Memorandum of Association. The Corporation can only raise loan for carrying out such activities mentioned and not for advancing the loan to the Haryana Govt. which is not covered in either the main object of the Corporation and is a violation of provisions of Companies Act, 1956.

4. In view of above facts, a meeting under the chairmanship of Chief Secretary, Haryana was held on 3.12.2017 regarding revised procedure for the utilisation of these loans by the Corporation. In this meeting the following decisions were taken:-

- Haryana Govt. can not take loan from the Corporation without approval of the Govt. of India and it may not be desirable to seek approval of Govt. of India for taking these loans unless brought out by AG Audit. Haryana advancing of loan by the Corporation to the Haryana Govt. may not be in accordance with the provisions of Companies Act, 1956.
- Haryana Govt. can take loan for the improvement of State Highways, HSR, and other infrastructure projects for implementation of these projects.

projects by raising loan from HPDCO. Tolling rights of these roads will be given by the Haryana Government to the Corporation.

- iii) No staff will be allocated by the Corporation for the purpose of project implementation and actual implementation of the projects should be entrusted to PWD (B&R) Branches concerned with the condition that no departmental charges will be levied by the Haryana Government for the implementation of these projects. Funds will be deposited in phases by the Corporation with Haryana PWD (B&R) for the implementation of these projects who will deposit the funds in the Government treasury and thereafter obtain LOC from the Haryana Government for the equivalent amount for implementing these projects for road works. The department will provide Utilisation Certificate every month in respect of the funds utilised during the month, which will thereafter be supplied to HPDCO after due verification by the Corporation. Funds will be deposited by the Corporation with Haryana PWD (B&R) branch concerned for ensuring proper utilisation of the earlier releases.
- iv) However it was decided that the Corporation should be activated and strengthened. The Corporation will take over works of ROBs by raising loans for meeting 50% cost of the same, whereas balance 50% cost will be shared by the railways wherein a proposed level crossing is to be replaced with ROB. The Corporation will be authorised to levy toll on these ROBs for repayment of loans. The Corpn. might consider posting of independent Managing Director for activation of the Corporation.
- v) As per the loan proposal, HPDCO is to finance 80% of the cost of the projects, whereas balance 20% cost of the project is to be shared by the Haryana Government. Project Government will provide its share of 20% funds to the Corporation in form of loan which will also be invested by the Corporation on the construction of these works and would recover the same from toll collection.

5. The matter was discussed with the Director General (Audit), Haryana vide letter dated 10.12.2004 and 26.12.2004. The Director General (Audit) confirmed the above revised procedure for payment of compensation to the Corporation from Haryana PWD (B&R) as depicted in the letter dated 26.12.2004 to the Director General (Audit), Haryana vide his D.O.

No CA-LHR R&Bridges 2001/1000 dated 10/1/2002 has rendered the advice subject to the following restriction:-

- i) legal opinion is sought of Legal Remembrancer that the proposal of the Corporation to enter into the provisions of Memorandum and Articles of Association of the Company and all other statutory provisions, be obtained.
 - ii) the HEDCO Project may be executed from Haryana PWD (B&R) as deposit works by depositing the amount in the Treasury under the major head of Account 8443 - Civil deposits, specifying the name of work of the scheme to which the particular deposit relates so that the accounts of each deposit may be entrusted by the Corporation to PWD (B&R) Deptt. may not kept separately, in such a manner that the Corporation may not act as a front conduit to siphon off its funds to the State Government, or impose upon the ways and means of the State Government.
6. In the meeting held on 31.12.2001 after the chairmanship of Chief Secretary, as mentioned in para 5 above, M.P. and A.P. Haryana were present who subscribed to this opinion of getting the works executed by the Corporation from Haryana PWD (B&R) as deposit works. The matter was again referred to Legal Remembrancer, Haryana for advising if the proposed procedure of getting the works executed by the Corporation from Haryana PWD (B&R) as deposit works without paying departmental charges is in order and does not contravene the provisions of Memorandum and Articles of Association of the Corporation.

Legal Remembrancer and Secretary, Law & Legislative Deptt. vide U.O. No.320-G(18)-B&R-op-Bn-2002 dated 10/1/2002, conveyed the following advice on the above subject:-

"Haryana State Urban R&Bridges Development Corporation Ltd. may enter into a contract agreement with Haryana PWD (B&R) for getting the works executed as deposit works in accordance with the

provisions of section 17(1) relating to the object ancillary or incidental to the attainment of the objects of the Company."

In view of the above advice, Legal & Remembrance, Haryana State Roads & Bridges Development Corporation will enter into settlement arrangement with the Haryana PWD (B&R) for executing works executed as deposit works subject to the condition that no departmental charges shall be levied by the Haryana PWD (B&R) for executing these works independently.

7. In order to implement the advice of Accountant General (Audit), Haryana and LR, Haryana, the following steps are proposed to be taken:-

- i) The works shall be got executed by the Corporation from Haryana PWD (B&R) as deposit works without paying any departmental charges.
- ii) The money of deposit shall not be used for any other purpose except that for which it has been deposited by HSRLDC from HWDCC. Therefore, the funds deposited by the Corporation with PWD (B&R) and State Government shall not be diverted to any other work or Department of the State Government. It ensures that the Corporation does not act as a front or conduit organization towards to the State Government. This will address the concern expressed by Accountant General (Audit), Haryana.
- iii) The implication of the advice of the Accountant General (Audit), Haryana is that the sum in from HWDCC shall not be used by the State Government as a sum for its ways and means position. In order to fully comply with the observation of the Accountant General (Audit), Haryana makes sure ensured that the money for deposit work will be released by PWD (B&R) in phases depending upon the progress of execution of works and the amount of bills pending for payment shall be raised by the Corporation from HWDCC in the separate project account of the HWDCC.

Corporate Bonds and released by HSRDC to PWD (B&R) from time to time, except the actual requirements which shall be supported by proper utilization certificates for the earlier releases. PWD (B&R) will maintain a state account of utilisation of these funds. The amount released by HSRDC to Haryana PWD (B&R) will be deposited by the Department in the Govt. Treasury under the Major Head "8443 - Civil Deposits" specifying the name of the project in order to ensure proper accounting of the deposits and the expenditure. Corresponding LOCs shall have to be released by the Finance Department to Haryana PWD (B&R) within seven working days of depositing the funds in the Govt. Treasury. If the LOC is not released within 7 working days, it may again incur audit directions from the Accountant General (Audit), Haryana, which may infer that these deposits are being utilised to support the current financial position of the State Govt. which would amount to a diversion of loan funds to the State Government.

(iv) Modalities of implementation outlined in sub-paras (i) to (viii) of para 4 above are to be effected.

8. The matter was referred to the Department vide U.O. dated 11.1.2002 for conveying its concurrence in respect of proposals contained in para 7 above. Concurrence of the Finance Department is still awaited. Sh.M.K.Mighani, IAS, the then FC, Finance and S.D.O., IAS, then Joint Secretary, Finance Department, Haryana was present in the meeting held on 3.12.2001 under the chairmanship of Chief Secretary to the State of Haryana wherein decisions indicated in para 4 above were taken.

JOURNAL OF

Managing Director

Comments of Comptroller & Auditor General of India under Section 619(4) of the Companies Act, 1956 on the accounts of Haryana State Roads & Bridges Development Corporation Ltd. for the year ending 31st March, 2001

1. Balance Sheet

Liabilities

Loan Funds

Secured Loan - Rs. 13,18.81 lacs

The above represents loan from HRTC which has been guaranteed by the State Government of Haryana. As this loan is not secured by any tangible security, it should have been shown as unsecured loan as per Part I of Schedule VI to the Companies Act, 1956.

Assets

Sundry Debtors & Advances

Other Debts & Accruals

This represent amount of interest recoverable from State PWI on the under loans and Advances as per Part-I of Schedule VI to the Companies Act, 1956. This has resulted in over statement of Sundry debtors and under statement of loans and advances.

Reply to comments of the Comptroller and Auditor General of India under Section 619(4) of the Companies Act, 1956 on the account of Haryana State Roads & Bridges Development Corporation Ltd for the year ending 31st March, 2001.

1. As per Schedule VI, Part-I of the Companies Act, 1956 it has been provided that nature of the security to be specified in each case under secured loan. The loan covered under the guarantee of State Government as such it has been reflected as secured loan. However in view of comments of the Comptroller and Auditor General of India the loan from HRTC would be shown as "unsecured loan" in the Account for the year 2001/2002.

2. Reply to Schedule VI, Part-I of the Companies Act, 1956
In this Schedule, Indebtments include the amount of interest recoverable from State PWI on the under loans and Advances as per Part-I of Schedule VI to the Companies Act, 1956. It is decided to reflect the same as interest recoverable from State PWI on the under loans and Advances as per Part-I of Schedule VI to the Companies Act, 1956. This is because the PWI is the main creditor of the HRTC and the PWI has now decided not to give loan to the HRTC P&R Department. However, the HRTC Department which is the main creditor of the PWI has now decided not to give loan to the PWI P&R Department. Hence, the loan agreement already executed by the Corporation with PWI P&R Department on 7.12.2000 be scrapped with retrospective effect i.e w.e.f. 1.4.2001.

General

A reference is invited to para 6 of the Annexure to the Statutory Auditors Report wherein it has been stated that no loans and advances have been given by the Company. The Company has given an unsecured loan of Rs. 168,88 lakh (refer Schedule V) to the State Government for carrying out its activities of PWD (B&R). As such, the report of the Statutory Auditor is deficient to that extent.

The loan given to State Government is not of general nature but is meant for specific activities which were to be undertaken by the Corporation. Statutory Auditors has stated that they are of the opinion that no loans have been granted relates to other than those specified in the balance sheet itself like loan to staff, suppliers, customers, etc and in that context they have mentioned in their report that no loans have been granted by the company other than those specifically mentioned in the Balance Sheet.
