Subject:-

CWP No. 8086 of 2013- Indu Mehta V/s Union of India and Ors.

I am directed to invite your kind attention on the subject cited matter and to issue the following directions in terms of decision dated 06.03.2018 of Hon'ble Punjab and Haryana High Court in the above mentioned case:-

- I. All the Administrative Departments including the Boards/ Corporations/ Banks/Insurance Companies etc. shall appoint their Nodal Officers (Litigation) and shall display his particulars on their website. The Nodal Officer can also be utilized for handling litigation as well as the bills of the lawyers.
- II. The bills of a lawyer will be received against proper receipt and by giving proper number with an acknowledgement to the lawyer concerned, so that a proper record is maintained of the pending bills.
- III. All the bills received by the concerned officer of the department or any other Government Department, Board/ Corporation etc. shall be forwarded by the said officer to a Nodal Officer as well, for record. It will be the duty of the Nodal Officer to ensure that the payment of the bill be made within the time prescribed.
- IV. The Nodal Officer or the officer concerned, who is responsible for clearing the bill, shall communicate the material objections, if any, within a period of two weeks to the lawyer concerned, with a copy to the Nodal Officer. In case of frivolous objections, it shall be the responsibility of the Nodal Officer to point out immediately to the department concerned to be careful while raising frivolous objections.
- V. The department concerned shall ensure the required budget by considering the overall litigation and the last budget along with future requirement and to make available at the appropriate time when the budgetary provisions are made as sometime due to lack of budget, bills are not cleared and are kept pending. It

shall be the responsibility of the concerned officer dealing with the finance matters that appropriate budget be kept for the payment of fee bills.

VI.

The Administrative Secretaries concerned shall also take appropriate steps to ensure that the pendency of the fee bills and its status may be put on some website/portal. The Central Government has already provide a portal in the name of LIMBS and module for the advocates which allows advocates to upload bills online and also to monitor the cases in a more proactive manner. Since the area of Central Government is throughout India, States are at liberty to create any other portal or module of that form besides activating the Nodal Officers.

VII.

In a situation, when a case is entrusted to an Advocate, who has specified his fee, the concerned authority is bound to pay as per his entitlement or policy applicable to the case. As per Rules and Orders of High Court Volume-I, Rules 1 and 1-A of Chapter 16-B, even in a situation where case has been withdrawn from an Advocate and no misconduct or negligence is there on his/her part, the Advocate can not be denied fee.

VIII.

In case there is delay in releasing the payments, the Advocates shall be entitled for interest as well.

2.

The same may be kindly be noted for future strict compliance.
